You know as true as trees are tall
And autumn leaves do fall
Oh, it sometimes rains in paradise
And even the warmest heart can turn to ice

I know it happened to us all
Every kind of people fall
And after all the tears are gone
Do we have the heart to carry on?

Here and now, still somehow
Still a friend of mine, oh, you're still a friend of mine
Still a friend of mine, you're still a friend of mine
Still a friend of mine, oh, you're still a friend of mine
Ohh

To think of all the times I hurt you
And never thought it through
Oh, I treated you so badly baby
Could such a cruel heart ever be free

I know it happens to us all
Every kind of people fall
Ooh, and after all is said and done
Do we have the heart to carry on?

Here and now, still somehow
Still a friend of mine, oh, you're still a friend of mine
Still a friend of mine, you're still a friend of mine
Still a friend of mine, oh, you're still a friend of mine
Ohh

I know as long as I've got you
And we do the things we do
The next time baby that our love breaks down
I'll do the best that I can to turn it around

Here and now, still somehow
Still a friend of mine, oh, you're still a friend of mine
Still a friend of mine, you're still a friend of mine
Still a friend of mine, oh, you're still a friend of mine
Ohh

Time and time and time again
I'm gonna be right here for you baby
Seasons come and seasons go
Gonna be right here for you

Time and time and time again
I'm gonna be right here for you, yeah

Time and time and time again
I'm gonna be right here for you baby
Seasons come and seasons go
Gonna be right here for you

Time and time and time again
I'm gonna be right here for you yeah

Time and time and time again
I'm gonna be right here for you baby
Seasons come and seasons go
Gonna be right here for you
Time and time and time again
