Hot town, summer in the city, back of my neck getting  
dirty and gritty  
Been down, isn't it a pity, doesn't seem to be a shadow  
in the city  
All around, people looking half dead  
Walking on the sidewalk, hotter than a match head

But at night it's a different world, so nice just to be a  
girl  
Come on and dance all night despite the heat it will be  
alright  
And baby, don't you know it's a pity  
That the days can't be like the nights in the summer  
In the city, in the summer, in the city

Cool town, evening in the city, dressing so fine and  
looking so pretty  
Cool cat, looking for a kitty, gonna look in every corner  
of the city  
Till I'm wheezing just like a bus stop  
Running up the stairs, gonna meet you on the rooftop

But at night it's a different world, so nice just to be a  
girl  
Come on and dance all night despite the heat it will be  
alright  
And baby, don't you know it's a pity  
That the days can't be like the nights in the summer  
In the city, in the summer, in the city

Hot town, summer in the city, back of my neck getting  
dirty and gritty  
Been down, isn't it a pity, doesn't seem to be a shadow  
in the city  
Till I'm wheezing just like a bus stop  
Running up the stairs, gonna meet you on the rooftop

But at night it's a different world, so nice just to be a  
girl  
Come on and dance all night despite the heat it will be  
alright  
And baby, don't you know it's a pity

That the days can't be like the nights in the summer  
In the city, in the summer, in the city
