"That's The Way Of The World"

Hearts of fire creates love desire
Take you high and higher to the world you belong
Hearts of fire creates love desire
High and higher to your place on the throne

We've come together on this special day
To sing our message loud and clear
Looking back we've touched on sorrowful days
Future, past they disappear

You will find peace of mind
If you look way down in your heart and soul
Ah, don't hesitate, 'cause the world seems cold
Stay young at heart, 'cause you'll never, never grow old
at heart, hey
(Never, never, never, never know)

As the way of the world, pledge a flower would you
grow a pearl
A child is born with a heart of gold
Way of the world makes his heart so cold, oh, yeah

Hearts of fire, love desire

Hearts of fire creates love desire
Take you high and higher to the world you belong
Hearts of fire, love desire, high and higher you, you,
you
Hearts of fire, love desire, high and higher, ooh

We've come together on this special day
To sing our message loud and clear
Looking back we've touched on sorrowful days
Well, future disappear

You will find peace of mind
If you look way down in your heart and soul
Ah, don't hesitate 'cause the world seems cold
Stay young at heart and you'll never, never grow old at
heart
(Never, never, never, never know)

Hearts of fire, oh, love desire, oh yeah

Hearts of fire creates love desire
Take you high and higher to the world you belong
Hearts of fire creates love desire
High and higher to your place on the throne

Hearts of fire, love desire, high and higher you, you,
you
Hearts of fire, love desire, high and higher, hey

Come on let me, let me, let me, let me hear you now
Oh, let me tell you

Hearts of fire, high and higher
Hearts of fire, love desire, high and higher, oh

Come together on this special day, come together
Let's sing today
