"Scream In Silence"

Will these fears I hold inside
Pass me by, I am cold, I shiver
Hold me close
I need you here, so please don't go
Save me from the thoughts I fear
I scream in silence

Why, why am I left alone?
I feel it coming
Why, why can't I let you go?
I'm all alone

Voices whispers in my head
Things you said, so afraid, I wither
Only you
There's no one else, but you alone
Save me from the thoughts I fear
I scream in silence

Save me from the thoughts I fear
I scream in silence
