"The Eyes Of Fate"

Oh, who can see in the eyes of fate?
All life alone in it's chronic patterns.
Oh, swan, let me fly you
To the land of no winds blowing.
I know nothing, and know that I know nothing;
All is in the eye, and in it's blinks of seeing.

So just like the morning
The ghost of the following day.
Listen: Ory, cry, cry.....
Rear the rollers wild and stormy
Echoes wholly only lonely long beforey, ory ory.

All rivalry and opinion still cast their wild spells.
Effort and contrariness change the directions of time.
The lion still growls in your hollowness.
Please let's be easy, please let's be friends.
Watching and learning like small children.
Till out of the morning is growing the strength of the
day.

Listen: Ory, cry, cry.....
Rear the rollers wild and stormy
Echoes wholly only lonely long beforey, ory, ory.

Servant of fame or fame for a servant,
You see what you see, you see seldom what is.
Servant of fate or fate for a servant,
You see what you see, you see seldom what is.

Servant of fate, ohhhhhh.
