Straight from the shoulder
I think like a soldier
I know what's right and what's wrong
He knows what's right and what's wrong.

I'm the original discriminating buffalo man
And I'll do what's wrong as long as I can
He'll do what's wrong as long as he can

I live in a labyrinth under the sea
Down in the dark as dark as can be
I like the dark as dark as can be
He likes the dark as dark as can be

I'll even attack you or eat you whole
Down in the dark my bone mills roll
Porridge for my porridge bowl
Porridge for his porridge bowl

I'm strong as the earth from which I'm born
He's strong as the earth from which he's born
I can't dream well because of my horns
He can't dream well because of his horns

Moo

I'm strong as the earth from which I'm born
He's strong as the earth from which he's born
I can't dream well because of my horns
He can't dream well because of his horns

A minotaur gets very sore
His features they are such a bore
His habits are predicta-bull
Aggressively relia-bull, bull, bull

I'm strong as the earth from which I'm born
He's strong as the earth from which he's born
I can't dream well because of my horns
He can't dream well because of his horns

I'm the original discriminating buffalo man
And I'll do what's wrong as long as I can
He'll do what's wrong as long as he can
