I hear that the emperor of china used to wear iron  
shoes with ease  
We are the tablecloth and also the table also the fable  
of the dancing leaves

The new moon is rising the axe of the thunder is broken  
As never was not since the flood nor yet since the world  
began

The new moon is shining the angels are washing their  
windows

Above the years whose jumble sale goes spinning on  
below

Ask the snail beneath the stone, ask the stone beneath  
the wall

Are there any stars at all

Like an eagle in the sky tell me if air is strong

In the floating pan pipe victories of the golden harvest  
Safe in the care of the dear moon

The new moon is rising the eyelid of god is  
approaching

The humane train the skating raining travelling voice of  
certainty

The new moon is shining the harmonious hand is now  
holding lord krishna's ring

The eagle's wing the voice of mother everything

Ask the snail beneath the stone, ask the stone beneath  
the wall

Are there any stars at all

Like an eagle in the sky tell me if air is strong

In the floating palaces of the spinning castle  
May the fire king's daughter bring water to you
