The bent twig of darkness  
Grows the petals of the morning  
It shows to them the birds singing  
Just behind the dawning

Come dip into the cloud cream lapping  
I can't keep my hand on the plough  
Because it's dying

But I will lay me down with my arms  
Round a rainbow  
And I will lay me down to dream

Oh, will your magic  
Christmas tree be shining  
Gently all around?

Climbing up these figures  
The sun is tugging at my shoulder  
And every step I take  
I think, my feet are getting older

I see the crystal dreams unfolding  
I can't keep my eyes on the book  
Because it's mouldering

But I will lay me down with my arms  
Round a rainbow  
And I will lay me down to dream

Oh, will your magic  
Christmas tree be shining  
Gently all around?
