Gently tender falls the rain  
Washing clean the slate again  
But leave me please, behind my brain  
This light doesn't shadow on her

Shadows dancing through the pink milk blankets  
Where my mind lay dreaming gently of my loving you  
Sometimes I think I was true  
But then I loved the stone beneath my feet as much,  
usually

Gently tender snow-drop grows  
See the past tense quietly go  
Kill the chord but let me know  
This light doesn't shadow on her

Shadows dancing through the green bush trees  
Where my toes crept breathing lightly of my loving you  
Sometimes I think I was true  
But then I loved the stone beneath my feet as much,  
usually

Slowly spitting crawls the snake  
See the branches bend and break  
Venom that might easily shake  
This light doesn't shadow on her

Good, good loving, she gave me good loving  
Good, good loving, she gave me good loving  
Good, good loving, she gave me good  
And now all my wine is water  
To her all my wine is water  
All water, and my pearls are clear

Good, good loving, she gave me good  
Good, good loving, she gave me good  
Good, good loving, she gave me good  
And now all my wine is water  
To her all my wine is water  
All water, and my pearls are clear

She gave to me good loving

She gave to me good loving  
She gave to me good loving  
Ohh good loving
