

Incredible String Band "The Water Song"

Visit "[The Water Song](#)" on MotoLyrics.com

Water, water, see the water flow
Glancing, dancing, see the water flow
O wizard of changes, water, water, water

Dark or silvery mother of life
Water, water, holy mystery, heavens daughter
Wizard of changes teach me the lesson of flowing

God made a song when the world was new
Waters laughter sings it through
O wizard of changes teach me the lesson of flowing

God made a song when the world was new
Waters laughter sings it through
Wizard of changes, water, water, water
