It's all about you
(It's about you)
It's all about you baby
(It's all about)

It's all about you
(It's about you)
It's all about you

Yesterday you asked me something I thought you knew
So I told you with a smile, "It's all about you"
Then you whispered in my ear and you told me too
Said, "You make my life worth while"
"It's all about you"

And I would answer all your wishes if you ask me to
But if you deny me one of your kisses don't know what
I'd do
So hold me close and say three words like you used to
do
Dancing on the kitchen tiles
It's all about you
Yeah

And I would answer all your wishes if you asked me to
But if you deny me one of your kisses don't know what
I'd do
So hold me close and say three words like you used to
do
Dancing on the kitchen tiles
Yes
You make my life worth while
So I told you with a smile, "It's all about you"

It's all about you
(It's about you)
It's all about you baby
(It's all about)

It's all about you
(It's about you)

It's all about you baby
(It's all about)

It's all about you
(It's about you)
It's all about you baby
(It's all about)

It's all about you
(It's about you)
It's all about you
It's all about you
