Chorus

I hate her I said hate her
Tryin to be a skater
Who does she think she is?
Just cos she has tits
She thinks shes a total match
But really she's a big assed bitch

Verse 1

She's a total look-at-me girl
She gives her greasy hair a twirl
While she looks at me
Calls me hunky (eew!)
I don't care if she likes me
I think shes a little pussy
Wearin' dark lipstick and diggin' a skateboard
She thinks she's glam but she's a whoare.

Chorus

Verse 2

She is a total look-at-me girl
She gives her greasy hair a twirl
While she looks at me
Calls me hunky (eew!)
I don't care if she likes me
I think she's a little pussy
Wearin dark lipstick and diggin' a skateboard
She thinks she's glam but shes a whoare.

Chorus to fade
