your face is everywhere i go now  
and you're on every television show now,  
Baby i need you  
you're everything i want in someone,  
but you don't even know who i am,  
Baby why should you.

sweating all over your video,  
watching every single scene in slow mo  
Trackin' you down on the internet,  
coz i ain't seen you naked yet...

I want you Britney.  
i need you here with... me.  
you know that i wont stop untill ive got you.  
i want you Britney.

i even know the place that you live.  
and i don't care who your boyfriend is,  
cos one day it's gonna be me.  
and i think that i'm obsessed with you girl.  
cos i copy everythin you do now,  
and pepsi let me taste you.

god must of spent a little more time on you,  
in school uniform you look so good.  
and you say that your not a girl,  
i'll make you a woman.  
I want you Britney.  
i need you here with... me.  
you know that i wont stop untill i've got you.  
i want you Britney.

every single thing you do,  
every time i look at you,  
i become a slave for you,  
you drive me crazy.  
you know that i won't stop untill i've got you,  
i want you Britney.

what the hell can i do,  
to get closer to you.

you can run you can't hide  
i'll make you feel good inside,  
what the hell can i do  
to get closer to you.  
you can run you can't hide  
i'll make you feel good inside...

I want you Britney.  
i need you here with... me.  
you know that i wont stop untill i've got you.  
i want you Britney.

I want you Britney.  
i need you here with... me.  
you know that i wont stop untill i've got you.  
i want you Britney.
