You're so fit and you know it
And i only dream of you
Â'cos my life's such a bitch
but you can change it

maybe you need somebody just like me,
don't turn me down Â'cos i've got no car and i've got
no money...

I asked you to dance at the disco
But you said No!
The whole world was watching and laughing
On the day that i crashed and burned...
At your feet!

Since the day you dissed me
I'm feeling so pathetic
Â'cos the guys... well they've ditched me
and its all because of...

you and your friends are laughing at me now
you think that i'm nothing
ask your sister what you're missing!
I asked you to dance at the disco
But you said No!
The whole world was watching and laughing
On the day that i crashed and burned...
At your feet!

Maybe that you think youre too good for me
Tonight when you get home you're gonna see that
I know, i've got something better than you baby

I asked you to dance at the disco
But you said No!
The whole world was watching and laughing
On the day
I asked you to dance at the disco
But you said No!
The whole world was watching and laughing
On the day that i crashed and burned...
At your feet.
