I'm so rushed of my feet  
Looking for Gordon street  
So much I need to say  
I'm sorry thats it's on her wedding day  
'Cause she so right for me  
Her daddy disagrees  
He's always hated me  
'Cause I never got a J.O.B  
Now she's mine

#### CHORUS

And I'm glad I crashed the wedding  
It's better then regretting  
I could of been a loser kid  
And run away and hid  
Nut it's the best thing that I ever did  
'Cause true love lasts forever  
And now we're back together  
As if he never met her  
So looking back  
I'm glad I crashed the wedding

The neighbours spread the word  
my mum cried when she heard  
i stole my girl away  
Form everybody gathered there that day,just in time

#### CHORUS

And I'm glad I crashed the wedding  
It's better then regretting  
I could of been a loser kid  
And run away and hid  
Nut it's the best thing that I ever did  
'Cause true love lasts forever  
And now we're back together  
As if he never met her  
So looking back  
I'm glad I crashed the wedding

Don't waste time being made at me for taking her away  
'Cause anyway she didn't want to stay  
You should believe me when i say

She's glad I crashed the wedding  
it's better then regretting  
The ring she got was lame  
She couldn't take the pain  
She didn't want a silly second name  
'Cause true love lasts forever  
And now we're back together  
But might aswell forget her  
And walk away  
She's glad I crashed the wedding
