Well, they call me, Dr. Brown
Yes, the kind midnight love can mend
Well, they call me Dr. Brown
Woo! call needs that lovin' man
'Cause I'm a heart reg-o-lator
I totes yo rememdy in my hand

Well, my office hours, baby
'Tween midnight and day
Yeah, my office hours, mama
'Tween midnight and day
Well, I don't care where it hurt you
I drive those pains away

I don't have yo tonic
Don't want you to take no pill
I don't have yo tonic, baby
Don't want ya to take no pill
But if you use my remedy
Dr. Brown will cure yo' ills

Yeah! That's what I said!

(harmonica & instrumental)

Whoa-oh

Well, ask any woman
In my neighborhood
Yeah, ask any woman
In my neighborhood
If I don't cure you, purdy mama
Nobody can do ya no good!
