(harmonica & instrumental intro)

Well, I want somebody
Tell me what's wrong with me
I want somebody
Tell me what's wrong with me
No, I ain't in trouble
In so much a-misery

Now, Fannie Mae
Baby, won't you please come home?
Fannie Mae-ae-ae
Baby, won't you please come home?
No, I ain't been myself
Girl, since you been gone

I can hear your name a-ringin'
All down the line
I can hear your little engine
All down the line
I wanna know do ya love me
Am or I j' wa'tin' my time?

Yeah!

(harmonica - hoo ha)

Cryin', oh
Oh, oh, oh, poor me!
Cryin', oh
Oh, whoa, oh, poor me!
Well, I ain't in trouble
So much a-misery.
