Yeahhh...

Sitting here alone thinking it through
Trying to convince myself that I'm not losing you
Why can't you just forget the things I've said
I was angry at the time but now I've cleared my head

It was so strong, where did it all go wrong?

(Chorus)

So tell me why, I'm swimmin' against the tide,
And I'm praying for a life-line, 'cos I'm, losing you,
So tell me why, you don't care enough to try,
Are you giving up this fight
I can't stand, won't stand, losing you...

You don't have to say a word, it's in your eyes
What can I do to convince you, we need more time
And I know I may have made a few mistakes
But losing you is just too much for me to take

It was so strong, where did it all go wrong?

(Chorus)

So tell me why, I'm swimmin' against the tide,
And I'm praying for a life-line, 'cos I'm, losing you,
So tell me why, you don't care enough to try,
Are you giving up this fight
I can't stand, won't stand, losing you...

So tell me what to say
Because I need,
A chance to change
And I won't let you walk away...

(Chorus)

So tell me why, I'm swimmin' against the tide,
And I'm praying for a life-line, 'cos I'm, losing you,
So tell me why, you don't care enough to try,
Are you giving up this fight
I can't stand, won't stand, losing you...
