She's so weird, it scares me  
I don't think she likes me  
And thinking of her name  
Is driving me insane

She's my psycho girl  
My psycho girlfriend  
Everything I say  
She takes it the wrong way

She's my psycho girl  
My living nightmare  
She's everything I need  
But I can't stand her

I can't change her thinking  
But she's so good looking  
Thinking of her name  
Is driving me insane

She's my psycho girl  
My psycho girlfriend  
Everything I say  
She takes it the wrong way

She's my psycho girl  
My living nightmare  
She's everything I need  
But I can't stand her

We spent the night in  
We started fighting  
Since then  
It's never been the same

Thinking of her name  
Is driving me insane

She's my psycho girl  
My psycho girlfriend  
Everything I say  
She takes it the wrong way

She's my psycho girl  
My living nightmare  
She's everything I need  
But I can't stand her

She's my psycho girl  
My psycho girlfriend  
Everything I say  
She takes it the wrong way

She's my psycho girl  
My living nightmare  
She's everything I need  
But I can't stand her

She's my psycho girl  
My psycho girlfriend  
Everything I say  
She takes it the wrong way

She's my psycho girl  
My living nightmare  
She's everything I need  
But I can't stand her
