One day when I came home at lunch time I heard a  
funny noise  
Went out to the backyard to find out if it was one of  
those rowdy boys  
Stood there was my neighbor called Peter and a Flux  
Capacitor

He told me he built a time machine  
Like the one in a film I've seen  
Yeah, yeah

He said, "I've been to the year 3000  
Not much has changed but they lived underwater  
And your great, great, great granddaughter  
Is pretty fine"  
(Is pretty fine)

He took me to the future in the flux thing and I saw  
everything  
Boy bands and another one and another one and  
another one  
Triple breasted women swim around town totally  
naked!

We drove around in a time machine  
Like the one in a film I've seen  
Yeah, yeah

He said, "I've been to the year 3000  
Not much has changed but they lived underwater  
(Not much has changed but they lived underwater)  
And your great, great, great grand daughter  
Is pretty fine"  
(Is pretty fine)

I took a trip to the year 3000  
This song had gone multi-platinum  
Everybody brought our seventh album  
It had outsold Micheal Jackson  
I took a trip to the year 3000  
This song had gone multi-platinum  
Everybody brought our seventh album

Seventh album, seventh album

He told me he built a time machine  
Like the one in a film I've seen  
Yeah, yeah

He said, "I've been to the year 3000  
Not much has changed but they lived underwater  
And your great, great, great granddaughter  
(And your great granddaughter)  
Is pretty fine"  
(She's pretty fine)  
Oh, oh, yeah

He said, "I've been to the year 3000  
(3000)  
Not much has changed but they lived underwater  
(Not much has changed but they lived underwater)  
And your great, great, great granddaughter  
(And your great granddaughter)  
Is pretty fine"

He said, "I've been to the year 3000  
Not much has changed but they lived underwater  
(Not much has changed but they lived underwater,  
yeah)  
And your great, great, great grand daughter  
(And your great granddaughter)  
She's pretty fine"  
(She's pretty fine)

He said, "I've been to the year 3000  
(I've been to the year 3000)  
Not much has changed but they lived underwater  
And your great, great, great grand daughter  
Is pretty fine"
