I'm home alone tonight  
Full moon illuminates my room and sends my mind  
aflight  
I think I was dreaming up some thoughts that were  
seemingly  
Possible with you

And so I call you on the tin can phone  
We rendezvous at a quarter-two and make sure we're  
alone  
I think I've found a way for you and I to finally fly free

When we get there, we're gonna fly so far away  
Making sure to laugh, while we experience anti-gravity  
Anti-gravity, anti-gravity

For years, I kept it to myself  
Now potentialities are bound are living under my shelf  
Simply choose your destination from the diamond  
canopy  
And we'll be there

And so I call you on the tin can phone  
We rendezvous at a quarter-two and make sure we're  
alone  
I think I've found the way for you and I to finally be free

When we get there, we're gonna fly so far away  
Making sure to laugh, while we experience anti-gravity  
Anti-gravity, anti-gravity

Anti-gravity, anti-gravity, oh yeah
