Walking alone tonight 'cause I've only got room for two  
Me and my burdened black heart, it's all we know how  
to do

Yet I look for a bigger bang than the kind I continually  
see

Sick of all this inertia I want you to mend me

Lover, can you help me?

I'm a child lost in the woods

A black heart pollutes me and I think

You're a mountain that I'd like to climb

Not to conquer but to share in the view

Pulled by a false inertia, pushed out by circumstance

Pistol firing at my feet that's coercing me to dance

Yet I look for a bigger bang than the kind I'm sorry to  
know

Here I am first foot of the climb, watch me go

Lover, can you help me?

I'm a child lost in the woods

A lit path eludes me and I think

You're a mountain that I'd like to climb

Not to conquer but to share in the view

You're a bonfire and I'm gathered 'round you

Set this old black heart inertia aflame

Send it away, send it away

Send it away, send it away

Send it away, send it away

Send it away, send it away

You're a mountain that I'd like to climb

Not to conquer but to share in the view

You're a bonfire and I'm gathered 'round you

Set this old black heart inertia aflame

Set it aflame, send it away

Set it aflame, send it away

Set it aflame, send it away

Set it aflame, send it away

Set it aflame, send it away  
Set it aflame, send it away  
Set it aflame, send it away  
Set it aflame, send it away

Set it aflame, send it away  
Set it aflame, send it away
