If it's good to complicate  
Then both of us are doing fine  
Just keep your eyes on your part  
And leave me alone to mine

If it's good to instigate  
We're a fast horse, bet on us  
I'm not calling you an animal  
I think we just fight too much  
Come on!

In spite of this we're doing just fine  
Even diamonds start as coal  
Give us time to shine  
Even diamonds start as coal

We're both aligned in frame of mind  
But circumstance got us good  
And now you're seeing a side of me  
I wish no one ever would

Yeah if it's right to pick a fight  
We're fingers in a sugar bowl  
Love isn't perfect  
Even diamonds start as coal

In spite of this we're doing just fine  
Even diamonds start as coal  
Give us time to shine  
Even diamonds start out as coal

Even diamonds start as coal  
Yeah we're incomplete and infantile  
Even diamonds start as coal  
Aye!

Give it time girl, the fire feels divine  
The sweetest things they burn before they shine  
We think way too much (we think way too much)  
Look at us losing touch (and we're losing touch)  
A promise is a promise until...

Yeah, in spite of this we're doing just fine  
Even diamonds start as coal  
Give us time to shine  
Even diamonds start as coal  
Ohhh oooo hoooo oooo ooo

Even diamonds start as coal  
Yeah we're incomplete and infantine  
Even diamonds start as coal  
Aye!
