"Dig"

We all have a weakness
Some of ours are easier to identify
Look me in the eye

And ask for forgiveness
We'll make a pact to never speak
That word again, yes, you are my friend

We all have something that digs at us
At least we dig each other

So when weakness turns my ego up
I know you'll count on the me from yesterday

If I turn into another
Dig me up from under what is covering
The better part of me

Sing this song
Remind me that we'll always have each other
When everything else is gone

We all have a sickness
That cleverly attaches and multiplies

No matter how we try

We all have someone that digs at us
At least we dig each other

So when sickness turns my ego up
I know you'll act as a clever medicine

If I turn into another
Dig me up from under what is covering
The better part of me

Sing this song
Remind me that we'll always have each other
When everything else is gone
Oh, each other when everything else is gone

If I turn into another
Dig me up from under what is covering
The better part of me

Sing this song
Remind me that we'll always have each other
When everything else is gone
Oh, each other, sing this song, when everything else is
gone
Oh, each other, when everything else is gone
