A midnight swim
Is what I'm needing
A careless will
A fast for feeding

Chorus
I take to the deep
Where the lights been til now
Gotta break out and find
What the day left behind

So into blue
Begin an ark
The man was you
True and spark oh

Chorus
I take to the deep
Where the lights been til now, safe
Gotta break and out and find
What the day left behind

Water and salt
Secrets like new
Arrive salt
A midnight swim

Chorus
I take to the deep
Where the lights, until now, asleep
Gotta break in and find
What the day left behind
