Will I ever get to, to where it is that I am going
Will I ever follow through with what I... with what I have
planned
I guess it's possible, that I have been a bit distracted
And the directions for me are a lot less in demand.
In demand.
Will I ever get to where I'm going
If I do will I know when I'm there
If the wind blew me in the right direction. Yeah
Would I even care
I would.
I take a look around, it's evident the scene has
changed.
And there are times when I feel improved, improved
upon the past.
And there are times when I can't seem to understand at
all.

And yes it seems as though I'm going nowhere really
fucking fast.
Nowhere fast.
Will I ever get to where I'm going
If I do will I know when I'm there
If the wind blew me in the right direction. Yeah
Would I even care
I would.
I would.
I would.
Will I ever get to where I'm going
If I do, will I know when I am there
If the wind blew me in the right direction. Yeah
Would I even care
I would.
I would.
I would.
I would.
I would.
