Pardon me while I burst  
Pardon me while I burst

A decade ago, I never thought I would be at twenty  
three  
On the verge of spontaneous combustion, woe is me  
But I guess that it comes with the territory  
An ominous landscape of never ending calamity  
I need you to hear, I need you to see  
That I have had all I can take  
And exploding seems like a definite possibility to me

So pardon me while I burst into flames  
I've had enough of the world and it's people's mindless  
games  
So pardon me while I burn and rise above the flame  
Pardon me, pardon me, I'll never be the same

Not two days ago, I was having a look in a book  
And I saw a picture of a guy fried up above his knees

I said, "I can relate", 'cause lately I've been thinking  
Of combustication as a welcomed vacation  
From the burdens of the planet Earth  
Like gravity, hypocrisy and the perils of being in 3 D  
But thinking so much differently

So pardon me while I burst into flames  
I've had enough of the world and it's people's mindless  
games  
So pardon me while I burn and rise above the flame  
Pardon me, pardon me, I'll never be the same  
I'll never be the same

Pardon me while I burst into flames  
Pardon me, pardon me, pardon me

So pardon me while I burst into flames  
I've had enough of the world and it's people's mindless  
games  
So pardon me while I burn and rise above the flame  
Pardon me, pardon me, I'll never be the same

Pardon me, I'll never be the same, yeah
