I'm home alone tonight.  
Full moon illuminates my room, and sends my mind  
aflight.  
I think I was dreaming up some thoughts  
that were seemingly possible...with you.  
So I call you on the tin can phone.  
We rendezvous at a quarter-two, and make sure we're  
alone.  
I may have found a way for you and I to finally fly free.  
When we get there, we're gonna go so far away.  
Making sure to laugh; while we experience anti-gravity.  
For years, I kept it to myself.  
Now potentialities are abound, and sleeping under my  
shelf.  
Simply choose your destination from the diamond  
canopy,  
and we'll be there.  
So I call you on the tin can phone.  
We rendezvous at a quarter-two, and make sure we're  
alone.  
I may have found a way for you and I to finally be free
