Raven eyed those Valkyries
Rebel girls, rebel girls, tearing it up
Paying no mind to the divide
Raven eyes all over me
Rebel girls, rebel girls filling my cup
Them and I need to collide

Do it so (Rebel girls, rebel girls, tearing it up)
No one will know
Rarest pearls (Rebel girls, rebel girls filling my cup)
Rebel girls

Raven eyed those Valkyries
Rebel girls, rebel girls, tearing it up
Paying no mind to the divide
Raven eyes all over me
Rebel girls, rebel girls filling my cup
Them and I need to collide

Do it so (Rebel girls, rebel girls, tearing it up)
No one will know
Rarest pearls (Rebel girls, rebel girls filling my cup)
Rebel girls

Raven eyed those Valkyries
Rebel girls, rebel girls, tearing it up
Paying no mind to the divide
