You took our lives away  
to increase your self esteem.

An underlie in the public eye.  
You're dubbed insane if and when you try to  
speak your mind...IN YOUR OWN WAY!  
Ignore the past and...  
SPEAK FREE!

You smashed glass eyes just to say,  
"It all is all that I need."

An underlie in the public eye.  
You're dubbed insane if and when you try to  
speak your mind...IN YOUR OWN WAY!  
Ignore the past and...  
SPEAK FREE!

What you see  
is a reflection of my choice  
and what it means to me.

Trapped in your cell.  
A mindless plot against own eyes  
to simplify your hell!

I begin to contemplate  
Then hyperventilate  
Turning the thought in my head  
Maybe I'm lost

I begin to contemplate  
Then hyperventilate  
Turning the thought in my head  
Maybe...

I begin to contemplate  
Then hyperventilate  
Turning the thought in my head

I begin to contemplate

Then hyperventilate  
Turning the thought in my head

An underlie in the public eye.  
You're dubbed insane if and when you try to  
speak your mind...IN YOUR OWN WAY!  
Ignore the past and...  
SPEAK FREE!  
Speak free

Just ease my pain
