Meet me in outer space
We could spend the night
Watch the earth come up
I've grown tired of that place

Won't you come with me?
We could start again
How do you do it?
Make me feel like I do

How do you do it?
It's better than I ever knew, knew
Meet me in outer space
I will hold you close, if you're afraid of heights

I need you to see this place
It might be the only way
That I can show you how
It feels to be inside of you

How do you do it?
Make me feel like I do
How do you do it?
It's better than I ever knew, knew

How do you do it?
Make me feel like I do, knew
Ooh, you are stellar, you are stellar

How do you do it?
To make me feel like I do
How do you do it?
It's better than I ever knew, knew

How do you do it?
To make me feel like I do
How do you do it?
To make me feel like I do
