You Are Steller.

Meet me in outer space
We could spend the night;
watch the earth come up
I've grown tired of that place;
won't you come with me?
We could start again.

How do you do it?
Make me feel like I do
How do you do it?
It's better than I ever knew

Meet me in outer space
I will hold you close, if you're afraid of heights
I need you to see this place, it might be the only way;
that I can show you how
It feels to be inside you

How do you do it?
Make me feel like I do.
How do you do it?
It's better than I ever knew.
How do you do it?
Make me feel like I do

Ohhh...

You are stellar.

You are stellar.

How do you do it?
make me feel like I do.
How do you do it?
its better than I ever knew.

How do you do it?
Make me feel like I do.

How do you do it?
Make me feel like I do.
