You've seen it all before  
We ain't got no taste we're all a bore  
But you should give us chance  
'Cause we're just victims of circumstance  
We've had it pretty tough  
But that's OK we like it rough  
We'll settle the score  
We survived the reds and two world wars

Get up and dance to our eastern European kinda...  
Get up and dance to our eastern European kinda...  
Get up and dance to our eastern European kinda funk!

Yes sir we are legal we are  
Though we are not as legal as you  
No sir we're not equal no  
Though we are both from the EU  
We build your homes and wash your dishes  
Keep your hands all soft and clean  
But one of these days you'll realize  
Eastern Europe is in your genes

Get up and dance to our eastern European kinda...  
Get up and dance to our eastern European kinda...  
Get up and dance to our eastern European kinda...

Get up and dance to our eastern European kinda...  
Get up and dance to our eastern European kinda...  
Get up and dance to our eastern European kinda funk!

Get up and dance to our... get up and dance to our...  
Get up and dance to our... get up and dance to our...  
Get up and dance to our... get up and dance to our...  
Get up and dance to our eastern European kinda...

Get up and dance to our eastern European kinda funk!  
Get up and dance to our...  
Get up and dance to our eastern European kinda funk!  
Get up and dance to our...  
Get up and dance to our eastern European kinda funk!  
Get up and dance to our...  
Get up and dance to our eastern European kinda funk!
