I wake up in the mornin' and I look into your eyes  
When you're lookin' back at me then I know I got you  
hypnotised  
I can see you every day and I know you're not the same  
But if you leave me now I know I'm not the one to blame  
now-ow  
Say goodbye, oh no don't  
Say goodbye, oh no don't  
Say goodbye, I want to see you every mornin', noon  
and ni-ight  
Last night I had a dream, the strangest I ever knew  
And today I'm hopin' that the dream will all come true  
Walkin' down the path of life, the loneliest I've ever  
been  
Wishin' you were next to me, our love will go on  
endlessly now-ow  
Say goodbye, oh no don't  
Say goodbye, oh no don't  
Say goodbye, I'm gonna see you every mornin', noon  
and ni-ight  
Say goodbye, oh no don't  
Say goodbye, oh no don't  
Say goodbye, I want to pull you right into my life now-  
ow  
Hey!  
'Cause you know in your heart that it's tearin' apart  
All the love that you gave and threw away  
Cryin' wolf in the dark  
'Cause you know in your heart that you won't go away  
Last night I had a dream, the strangest I ever knew  
And today I'm hopin' that the dream will all come true  
I can see you every day and I know you're not the same  
But if you leave me now, I know I'm not the one to  
blame now-ow  
Say goodbye, oh no don't  
Say goodbye, oh no don't  
Say goodbye, I'm gonna see you every mornin', noon  
and ni-ight  
Say goodbye, oh no don't  
Say goodbye, oh no don't  
Say goodbye, I want to pull you right into my life now-  
ow

Say goodbye, oh no don't  
Say goodbye, oh no don't  
Say goodbye, I'm gonna see you every mornin', noon  
and ni-ight  
Say goodbye, oh no don'
