Boy  
you know that you haven't changed a bit

You keep talking that same old know it hurt

Lipstick on your shirt  
boy  
you  
Cause it wasn't mine  
said it wasn't mine.  
I gave you all my trust and now it's turned to dust.  
You were my boyfriend  
I said my boyfriend

You were seen with other girls  
cute pony tails and curl.  
Say  
what's their names  
I want to know their names.  
I keep falling upon your line  
love can really make you blind.  
Will it ever change  
nothing ever changes.  
The record keeps spinning baby  
round and round

Don't you know it's just the same old sound  
yeah  
oh yeah.  
The record keeps spinning  
baby  
round and round

Don't you know it's jyst the same old sound  
yeah  
oh yeah.  
Boy  
you know that you haven't changed a bit

You keep talking that same old . . . -  
The record keeps spinning  
baby

round and round

Don't you know it's just the same old sound  
yeah  
oh yeah.  
You took my cadillac and never brought it back

Now that's not right  
said that's not right.  
Boy  
you've gone too far  
you've got girls in my car.  
You're driving me crazy  
I said crazy

And oh  
how you lied and oh how I cried

All through the night  
all through the night.  
Should've known you'd be the same I guess  
I'm the one to blame

Will it ever change  
nothing ever changes.

The record keeps spinning  
baby  
round and round

. . .  
It's like a broken record  
broken record  
broken record  
broken record

Broken record  
broken record  
broken record  
broken record.  
Break  
break  
break  
break  
break  
break  
break  
break  
break  
break

Like a broken record  
broken record  
broken record

broken record

. . .

Break

break

break

break

break

break

break

break.
