Play With Fury, Play With Speed  
Grinding Rhythms, Wailling Leads  
Feed Upon The Things You Bleed  
Fast Rock And Roll At Utmost Speeds  
Bang Your Heads Up And Down  
Throw Your Bodies All Around  
Fast, Loud Really Obscene  
Play For Pain Say What We Mean

[Chorus:]  
Bleed For Metal  
Passing The Test  
We Are Not Normal  
Brain Damaged At Best

Crashing Metal Heavy Beats  
Come On Assholes On Your Feet  
Thirsting For A Metal Sound  
Stomping Posers To The Ground

Holding Your Ears Are They Starting To Bleed  
Can't Stand The Noise Then Get Up And Leave  
Can't Stand Posers, We Hate Them All  
We Live For Metal Proud And Tall

[Chorus:]  
Play With Fury Play With Speed  
Grinding Rhythms Wailling Leads  
Feed Upon The Thing You Bleed  
Fast Tock And Roll At Utmost Speeds  
Band Your Heads Up And Down  
Throw Your Bodies All Around  
Fast Loud Really Obscene  
Play For Pain
