time to feel good
without you
i'm your last breath
why do i die
without you
you're my last breath

pushing it in!
pushing it in!
the bluer the eyes the bluer the skin!

just looking over reasons
what certain eyes are seeing
we can't stop pushing razors
it might affect the bleeding
you're certain with this option
once we start there's no stopping
i'll film the perfect flavor
for people who like watching

time to feel good
without you
i'm your last breath
why do i die
without you
you're my last breath

pushing it in!
pushing it in!
the bluer the eyes the bluer the skin!

pulling the skin testing the sin
opening lies pushing it in
(7X)

time to feel good
without you
i'm your last breath
why do i die
without you
you're my last breath

pushing it in!
pushing it in!
the bluer the eyes the bluer the skin!

thanking you again for nothing
(4X)

I HATE!
YOU!
AGAIN!
FOR NOTHING!
pulling the skin testing the sin
opening lies pushing it in!
