I tried to tell you boy  
It can't be tonight  
It just isn't right  
You've got to understand  
When there's hesitation  
You've got to be patient  
It's not to win or lose  
It's how you play  
You've got to find a way  
To make me stay  
Oh can't you see  
We're losing ground  
You better slow it down  
Or walk away

Chorus:  
I'm not giving you my heart  
Right from the start  
I got to know  
Your not learning to love from me  
I got no secrets in the dark  
Right from the start  
I got to know you'll stay

Just 'cause I wanted you  
Don't take advantage  
Don't take me for granted  
I need much more than this  
Can't --- affection , some real attention  
It's not to win or lose  
It's how you play  
You've got to find a way  
To make me stay  
Oh can't you see  
We're losing ground  
You better slow it down  
Or walk away

Chorus (1x)

It's not to win or lose

It's how you play  
You've got to find a way  
To make mistakes  
Oh can't you see  
We're losing ground  
You better slow it down  
Or walk away

Chorus (1x)
