Somebody should tell you to appreciate
so easy enduring so why am i this way?
i've been shut out what i hate out
and its so easy to explain
i guess you know about what i think about
so your the perfect pain

when god pulls his gun out
its not running
we've left something out
the ends breathing teething,
ripping out our final page
a fine election, satisfaction
pleasure through pain
so listen to the way the, the echos rain

you want to feel alive
on the peoples mind
and its choices look out
well its only regrets time
faced in wives
tasting lives
you better run!

when god pulls his gun out
its not running out
we've left something out
the ends breathing, teething,
ripping out our final page
a fine election, satisfaction
pleasure through pain
so listen to the way the, the echos rain

Whos got the gun now?
Run! Whos got the gun now?
Run! Whos got the gun now?
Who's got the gun now?
Whos got the gun now?
Run away, hes gonna pull the...
run away, hes gonna pull the...
run away, hes gonna pull the...
