run to wash the sink
remember the time
let go, persuasive hands to clean
your holding lies
i know
run to wash the sink
remember the signs
let go, persuasive hands to clean
all this is mine
i know

why are you
dying on me?
time is fire
risk our dreams
why are you
dying on me?
dreams of fire
now we're clean

run your fingernails
wash your concience
before you sleep
sleep (5x)

rain begins to leak
remember the time
let go
soon you'll have time to sleep
remember the suns
i know
silenced
your holding lies
your silenced
all this is mine

why are you
dying on me?
time is fire
risk our dreams

run your fingernails
wash your concience
before you sleep
