Brown skin you know I love your brown skin  
I can't tell where yours begins I can't tell where mine  
ends  
brown skin up against my brown skin  
need some every now and then

Where are your people from maybe Mississippi or an  
island?  
Apparently your skin has been kissed by the sun  
You make me wanna Hershey's kiss your licorice  
Everytime I see your lips it makes me think of honey  
coated chocolate  
Your kisses are worth more than gold to me  
I'll be your almond joy, you'll be my sugar daddy

Brown skin you know I love your brown skin  
I can't tell where yours begins I can't tell where mine  
ends  
brown skin up against my brown skin  
need some every now and then

Everytime you come around something magnetic pulls  
me and I can't get out  
Disoriented I can't tell my up from down all I know is  
that I want to lay you down  
Everytime I let you in abra cadabra magic happens as  
we swim  
Higher and higher finally we reach heaven  
Come back to earth and then we do it all again

Brown skin you know I love your brown skin  
I can't tell where yours begins I can't tell where mine  
ends  
brown skin up against my brown skin  
need some every now and then

Skin so brown lips so round baby how can I be down  
Beautiful mahogany you make me feel like a queen  
Tell me what's that thing you do that makes me want  
to get next to you

Brown skin you know I love your brown skin

I can't tell where yours begins I can't tell where mine  
ends  
brown skin up against my brown skin  
need some every now and then
