Every day that you pass my way, I wonder, I wonder  
about your life  
What is your age, are you connected if so, does she  
treat you right  
Now please, excuse me for being so forward  
Bur I couldn't let this chance go by without lettin' you  
know I

Chorus

I wonder, I wonder if you really knew, that I see God in  
you  
And I wonder if you can see, how much you mean to  
me  
I know you cannot read my mind, but I hope you feel  
my vibe  
I think it's time I let you know that, I see the God in you

Every time that I see your face, I wonder, what lies  
beneath your smile  
What are your dreams, what are your fears, what does  
your heart hold dear  
I know, that you don't know me at all  
But if you know yourself, well then you know me very  
well

Chorus

I wonder, I wonder if you really knew, that I see God in  
you  
And I wonder if you can see, how much you mean to  
me  
I know you cannot read my mind, but I hope you feel  
my vibe  
I think it's time I let you know that, I see the God in you

Chorus

I wonder, I wonder if you really knew, that I see God in  
you  
And I wonder if you can see, how much you mean to  
me  
I know you cannot read my mind, but I hope you feel  
my vibe

I think it's time I let you know that, I see the God in you
