Do do do
Do do do
Do do do do do do dooooooo (4 times)

Good morning silence
Good morning to myself

Goodmorning to the pain in the center of my chest

It's crazy how much I miss
A simple good mourning kiss
Oh ohhhhh~

Good mourning independence or is it loneliness?
I know I said I wanted this but I have regrets

I pray for God's will to be done
The very next day you were gone
Oh Ohhhhhh

Good mourning to the harsh realities of life
And good mourning to the fact we're not husband and
wife

We made a promise to stay
But destiny got in the way
Oh ohhhhhhhh

Good mourning

Good mourning acceptance
Good mourning inner strength
I'm loving every moment
Even the strain

It's crazy how much I miss
A simple good morning kiss
It's crazy how much I've missed
Now it's time for me to live
Oh ohhhhhhhhhh

Good mourning

Good mourning optimism

Good mourning to my faith

Good mourning to the beginning of a brand new day

I know that God's will be done

So I lay down my pain and I'm moving on

I know that God's will be done.

So it's a good mourning after all
