Because you never know where life is gonna take you  
And you can't change where you've been.  
But today, I have the opportunity to choose.

[Verse 1:]

Here am I now looking at 30 and I got so much to say.  
I gotta get this off of my chest, I gotta let it go today.  
I was always too concerned about what everybody  
would think.  
But I can't live for everybody, I gotta live my life for  
me.(Yeah)  
I pitched a fork in the road of my life and ain't nothing  
gonna happen unless I decide.

[Chorus:]

(And I choose) to be the best that I can be.  
(I choose) to be authentic in everything I do.  
My past don't dictate who I am. I choose. (Yeah)

[Verse 2:]

I done been through some painful things I thought that  
I would never make it through.  
Filled up with shame from the top of my head to the  
soles of my shoes.  
I put myself in so many chaotic circumstances, but by  
the grace of God I've been given so many second  
chances.  
But today I decided to let it all go. I'm dropping these  
bags, I'm making room for my joy.

[Chorus:]

(And I choose) to be the best that I can be.  
(I choose) to be authentic in everything I do.  
My past don't dictate who I am. I choose.

[Bridge:]

Because you never know where life is gonna take you  
and you can't change where you've been.  
But today, I have the opportunity to choose. (Hey ey)  
I used to have guilt about why things happen they way  
they did cuz life is gone do what it do.

And everyday, I have the opportunity to choose.

[Verse 3:]

From this day forward I'm going to be exactly who I am.  
I don't need to change the way that I live just to get a  
man. (NO!)

I even had a talk with my mama and I told her the day  
I'm grown,  
"from this day forward, every decision I make will be  
my own." And hey!

[Chorus:]

(And I choose) to be the best that I can be.  
(I choose) to be courageous in everything I do.  
My past don't dictate who I am. I choose.

(And I choose) to be the best that I can be.  
(I choose) to be authentic in everything I do.  
My past don't dictate who I am. I choose.

[Bridge:]

Because you never know where life is gonna take you  
and you can't change where you've been.  
But today, I have the opportunity to choose. (Hey ey)  
I used to have guilt about why things happen they way  
they did cuz life is gone do what it do.  
And everyday, I have the opportunity to choose.
