[Verse 1:]

Easy like Sunday mornin
Like an angel callin
He takin me all in
And i'm embrassin him with my skin
Like a glimmer of life
Like a vision of light
And he's so perfect i couldn't picture him if i tried

[Bridge 1:]

See some may come
Some may go
But i'll follow you wherever you the perfect mate for my
soul
And i know i loose control whenever i'm around you
cause you given me

[Chorus:]

Your hand
And that's more than enough
Your glance
Is like jumpin in the river of
Jordan
Purify me baby [x2]

[verse 2:]

It's summertime always
Like it's sunny out all day
Whenever you smile
Sweeter than momma's homemade
And i thought every man was made the same
But a world of smoke and ashes boy your are milk and
honey

[Bridge 2:]

See some may come
Some may go
But fill me up with your love
You're nourishment to my soul
And i know i loose control
Whenever i'm around you

'cause you given me

[Chorus]
