Yes I'm gonna mess around
Cause that's the way I want to be
Gonna try to get it down
Before I let it get to me
Don't want your love
Don't need it
That's the way I see it

* Oh runaway
You better not hesitate
Better hurry don't wait now
Runaway
Before you find it's too late
Cause you know how love slows you down

And if I should change my mind
If I should want to turn around
You know it won't be hard to find
Find another loving clown
It's best to think what of it
The change you will love it

Oh runaway
You better not hesitate
Better hurry don't wait now
Runaway
Before you find it's too late
Cause you know how love slows you down

No I'll never settle down
Cause I'm just not the settling kind
I got places all over town
I knew just what is on my mind
Just look for those who want it
I should know I've done it

Oh runaway
You better not hesitate
Better hurry don't wait now
Runaway
Before you find it's too late

Cause you know how love slows you down

You better run

You better run run run away

Better hurry don't wait

You better run

You better run little girl

Come on ...
