Inside my head there lives a dream that I want to see in
the sun
Behind my eyes there lives a me that Iâ€™ve been hiding
for much too long
â€™Cause Iâ€™ve been, too afraid to let it show
â€™Cause Iâ€™m scared of the judgment that may follow
Always putting off my living for tomorrow
Itâ€™s time to step out on faith, Iâ€™ve gotta show my faith
Itâ€™s been illusive for so long, but freedom is mine
today
Iâ€™ve gotta step out on faith, Itâ€™s time to show my faith
Procrastination had me down but look what I have
found, I found

Chorus

Strength, courage, and wisdom
And itâ€™s been inside of me all along,
Strength, courage, and wisdom
Inside of me

Behind my pride there lives a me, that knows humility
Inside my voice there is a soul, and in my soul there is
a voice
But Iâ€™ve been, too afraid to make a choice
â€™Cause Iâ€™m scared of the things that I might be
missing
Running too fast to stop and listen

Itâ€™s time to step out on faith, Iâ€™ve gotta show my faith
Itâ€™s been illusive for so long but freedom is mine
today
Iâ€™ve gotta step out on faith itâ€™s time to show my faith
Procrastination had me down but look what I have
found, I found

Chorus

Strength, courage, and wisdom
And itâ€™s been inside of me all along,
Strength, courage, and wisdom
Inside of me

I close my eyes and I think of all the things that I want

to see

‘Cause I know, now that I’ve opened up my heart I
know that
Anything I want can be, so let it be, so let it be....

Chorus

Strength, courage, and wisdom
It’s been inside of me all along,
Strength, courage, wisdom
It’s been inside of me all along, everyday I’m
praying for...

Chorus

Strength, courage, and wisdom
To find me, yeah,
Strength, courage, and wisdom
Inside of me

I found it in me, I found it finally
I’m sure to keep it’ cause I like it, I say thank you
