Oh, yeah
Hmm, mmm

Every day that you pass my way
I wonder, I wonder about your life
What is your age? Are you connected
If so, does she treat you right?

Now please, excuse me for being so forward
But I couldn't let this chance go by
Without lettin' you know I

I wonder, I wonder if you really knew
That I see God in you
And I wonder if you can see
How much you mean to me

I know you cannot read my mind
But I hope you'd feel the vibe
I think it's time I let you know that
I see the God in you
Oh yeah, oh yeah

Every time that I see your face
I wonder what lies beneath your smile
What are your dreams? What are your fears?
What does your heart hold, dear?

Now, I know, that you don't know me at all
Well, but if you know yourself
Well, then you know me very well

I wonder, I wonder if you really knew
That I see God in you
And I wonder if you can see
How much you mean to me

I know you cannot read my mind
But I hope you feel the vibe
I think it's time I let you know that
I see the God in you
Oh yeah, yee

Yeah, I wonder, I wonder if you really knew
That I see God in you
And I wonder if you can see
How much you mean to me

I know you cannot read my mind
But I know you'd feel the vibe
I think it's time I let you know that
I see the God in you
Oh yeah, yee, yeah

Oh yeah
