Just for today
I will not worry what tomorrow will bring
No oh.
I'm gonna try something new
Gonna walk through this day
Like I've got nothing to prove
Yeah-ee (yeah)
Although (yeah) I have the best intentions (yeah)
cant predict anyones reaction (yeah)
So I'll just do my best (yeah)
I'll put (yeah) one foot in front of the other (yeah)
Keep on moving forward (yeah)
And let god do the rest (hey)

I don't know what's gonna happen
That's alright with me
I open up my arms and I embrace the mystery
I don't know what's gonna happen
That's alright with me
I open up my arms and I embrace the mystery

Just for today
I'm telling the truth like its going out of style (yeah)
Gonna swallow my pride
Be who I am and I don't care who don't like it (yeah)
I feel (yeah)

Feel (yeah) that I'll do it anyway (yeah)
Wont let it stand in the way (yeah)
I know what I must do (yeah) yeah
There's no (yeah) guarantee that it'll be easy (yeah)
But I know that it'll beat the feeling (yeah)
Its time for me to show improve (yeah) yeah yeah
It's okay not to know
Exploration is how we grow
It's ok to not have the answer
Coz sometimes
It's the question that matters (yeah, yeah yeah yeah)

I don't know what's gonna happen
That's alright with me
I open up my arms and I embrace the mystery

I don't know what's gonna happen
That's alright with me
I open up my arms and I embrace the mystery.
