You are the sunshine of my life, another Shakespeare
of your time
You're like a ribbon in the sky, you are a poet's endless
rhyme
You take me to a higher ground and then you knock me
off my feet
Lately I been thinking 'bout ya, 'cause you been
creeping in my dreams

You inspire me, the way you make me feel inside is
amazing
Your honesty, your artistry is engaging
You are everything I hope to be

You have touched my soul, I want you to know
You are my hero
You got so much soul, to put it plain and simple
You are wonderful

I am your woman in red, I am girl blue, yeah
I am the black orchid, I am a golden lady too, yeah
You bring the music of your mind, to elevate human
kind
That's why I'm sharing my emotions with inner visions I
explode

You inspire me the way you make me feel inside is
amazing
Your honesty, your artistry is engaging
You are everything I hope to be, yeah

You have touched my soul, I want you to know
You are my hero
You got so much soul, to put it plain and simple
You are wonderful

You so beautiful
Yeah, yeah

(You are wonderful)
(You are beautiful)
You are

You are
(You are powerful)
(You are, you are)

You have touched my soul and I just want to say thank
you
(You are wonderful)
You have touched my soul in such a special way, say
yeah
(You are, you are)
(You are wonderful)
(You are, you are)

Stevie beautiful, Stevie powerful
(You are powerful)
Stevie spiritual, Stevie wonderful
(You are, you are)
Stevie wonderful
(You are wonderful)
(You are, you are)

You have touched my soul, you're so divine, you're so
sublime
You're wonderful
You have touched my soul, to put it plain and simple
You are wonderful
(You are, you are)
You have touched my soul, you're so divine, you're so
sublime
You're wonderful
(You are, you are)

You are wonderful
You are, you are
You are powerful
You are, you are
You are wonderful
You are, you are
